You may obtain information from the FTC and the credit reporting agencies listed above about placing a fraud alert and/or credit freeze on your credit report.

Under Massachusetts law, you also have the right to obtain a police report in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. You may also consider placing a fraud alert message or security freeze on your credit file by calling the toll-free telephone numbers for each of the three national consumer credit reporting agencies listed above. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

If you have been a victim of identity theft and you provide the credit reporting agency with a valid police report, it cannot charge you to place, lift or remove a security freeze. In all other cases, a credit reporting agency may charge you up to \$5.00 each to place, temporarily lift, or permanently remove a security freeze. To place a security freeze on your credit file, you must send a written request to each of the three national consumer reporting agencies listed above by regular, certified or overnight mail. In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
